New to the Auction?

Here is a Detailed List of Some Terms You May Be Unfamiliar With

"Preview:" the preview is an allotted time in which the public can come to our warehouse and view the items they are interested in purchasing. This opportunity gives you the ability to inspect the product before bidding. **Preview is usually the afternoon before and the morning of the auction; specific times can be found at www.ableauctions.ca**

"17%" or "Buyer's Premium:" this is an additional fee added your bid price, it is charged due to the fact that the items that you are bidding on (most of which are **BRAND NEW**) are drastically below their regular retail price. It is a **good idea to keep this in mind while bidding**. There is a 2% discount on ETRANSFER and Debit Purchases. (NO CASH ACCEPTED AT ONSITE AUCTIONS)

"As is, where is:" this term is applicable to all items sold in the auction. **'As is'** refers to the condition of the product, whether it is **brand new** or damaged in some way, **'where is'** refers to the location in the warehouse that the item is. **You will be responsible for the entire removal process, staff members are not permitted to assist.**

"Register:" registering is how you obtain a bidder paddle to bid on items you wish to purchase. It requires your driver's license or any kind of government issued ID, a phone number and a signature. **There is no fee to register.**

"Lot:" a 'Lot' is a product being sold in the auction. Each 'Lot' has an individual number ('Lot Number') which identifies it in the catalogue as well as while previewing, bidding, purchasing and removing. **'Lots' may consist of a single item or it may contain multiple items.** To differentiate be sure to **preview** as well as carefully read your catalogue which will have descriptions.

"Paid Invoice:" you will only be given **ONE** invoice that will have a **red 'Paid' stamp** on it. If you require more than one copy for bookkeeping purposes you may request one but it will have a **strike** through it or a blue 'Copy' stamp on it. **Product may only leave the warehouse with a 'Paid' invoice.**

- The auctioneer sets & dictates the price. If you are not meeting his increment he will not accept your bid i.e.: The bid is at \$25, the auctioneer is asking \$35 and you are only offering \$30; the auctioneer will end up accepting and selling the item for \$25 ignoring the \$30 bid.
